What are you planning to do on the 11th November, 2011?

The 11eleven project is sourcing creative content from all corners of the globe - video, photographs, music audio - any creative material that it's possible to upload to the internet. Material submitted to the site will be used to create a feature documentary, a photographic book and a music compilation. For more information about how to participate click ...

## Questions: present

How would you describe the site to someone who is new to it?

How does the site connect to your study and general life?

## Questions: retrospective

When you started using the site, what did you think it would be useful for? What was unclear?

What was an obstacle to doing what you wanted? What helped?

Tell me about your experiences..
